

REPUBLIC OF ALBANIA  
UNIVERSITY OF TIRANA  
FACULTY OF FOREIGN LANGUAGES  
DEPARTMENT OF ENGLISH

**COURSE SYLLABUS**  
**Foreign Language C (Italian)**

**Course Load:** 6 ECTS credits; 60 seminar hours

**Academic Year:** 2024–2025, Year I, Semester I

**Course Type:** Mandatory course

**Study Program:** Master of Science in *Trilingual Intercultural and Touristic Communication*

**Course Code / Ethics Code:** UT Code of Ethics (Articles 4, 6, 7, 9)

**COURSE SUMMARY AND LEARNING OUTCOMES**

*General Course Objectives:* The course "**Foreign Language C (Advanced Level 1)**" aims to enhance students' advanced linguistic competencies in the Italian language, building on prior knowledge at the B2 level. It focuses on the acquisition of both standard and specialized language structures and vocabulary for academic and professional purposes. The course exercises are designed to develop vocabulary and the ability to express clear and well-structured arguments in an academic context.

*Specific Course Objectives:*

The student should be able to:

- Communicate fluently in Italian.
- Engage in conversations and exchange ideas on specific academic topics.

*Expected Learning Outcomes:*

**1. Fluency and clarity in communication:**

Students will be able to express themselves fluently and clearly in spoken and written Italian at the C1 level.

**2. Ability to engage in academic and professional interaction:**

Students will be capable of discussing academic and specialized topics, presenting arguments, and exchanging ideas using context-appropriate vocabulary.

**3. Mastery of textual analysis:**

Students will be able to read, analyze, translate, and summarize various types of texts—literary, journalistic, and specialized—using appropriate phraseology and advanced grammatical structures.
