Workload: 4 ECTS credits; 40 teaching hours (20 Lectures + 20 Seminars)

Year / Semester: Year I, Semester II

Course Type: Compulsory course

Cycle of Studies: Bachelor in English Language

Code of Ethics: Code of Ethics of the University of Tirana (Articles 4, 6, 7, 9)

COURSE SUMMARY AND LEARNING OUTCOMES:

General Learning Objectives: The course aims to provide students with basic knowledge of syntax in general and of the Albanian language in particular, viewing syntax as both a descriptive and theoretical-generalizing discipline. Students will gain practical skills to identify, evaluate, and analyze syntactic models and the specific features of the Albanian syntactic system, following modern linguistic approaches.

Specific Learning Objectives:

1. Students will be trained to conduct thorough and accurate syntactic analyses of the Albanian language.
2. Students will develop the ability to undertake scientific work in this field, which is one of the main branches of modern linguistics today.
