SUMMARY AND LEARNING OUTCOMES

This course provides a well-structured consolidation of A2–A2+ level competences for the development of both linguistic and non-linguistic skills, in order to meet more specific and complex communication needs. Each didactic unit is accompanied by icons indicating the skills to be developed, enabling students to work in accordance with their learning needs and to engage with different types of speech and reading while gaining a higher level of language awareness.

General course objectives:

- The student uses common politeness formulas
- Engages in short social interactions
- Communicates in practical everyday life situations
- Describes activities in the present or past that are part of personal experience
- Understands the main idea of simple texts and messages
- Has the ability to understand, interpret, and produce texts in Spanish at A2–A2+ level

Specific course objectives:

- To acquire basic knowledge of grammar, spelling, and vocabulary
- To organize speech and expand discourse effectively
- To communicate through simple dialogues
- To gain knowledge about Spanish culture and traditions
- To develop comparative skills and logical reasoning
- To work in teams and collaborate with others
